-----  
**Breeding and In-Hand** classes will be judged using the **In the Ring Procedure**. Scores will be posted at the show office as soon as score sheets are processed.

#### **In the Ring Class Procedure (USEF Rule Book, AR107)**

Judging begins when the first horse enters the ring. From the moment the horse enters the ring its movement is being evaluated and scored(2) The horse shall enter at a trot, and at the handler's discretion may either proceed directly along the rail, or trot a counter-clockwise circle at the in-gate end of the arena and then proceed along the rail to the far end of the arena. Upon each horse reaching the designated position at the far end of the arena they are to remain relaxed. The judge(s) will then ask for the next horse to enter the ring. When all horses have entered the ring the horses shall be asked to walk collectively counter-clockwise and/or clockwise past each (and all) judge(s). They shall walk in a relaxed manner on a loose lead with the handler at the side of his horse, whips down. The lead line must maintain a discernible drape and the handler must not place his hand on the chain or close enough to in any way restrict the natural head and neck motion. The handler may not unnecessarily impede the forward motion of the horse while at the walk. Following the cessation of the walk all horses shall relax within the ring and only the horse "on deck" shall be prepared to show. Each horse shall be led to the judge(s) at the walk and presented for judging. In order to satisfy a proper presentation to the judge, horses should stand correctly, bearing weight on all four feet (not stretched), in a quiet and deliberate manner. Following the evaluation by the judge(s), horses shall walk away from the judge(s), and then strike a trot before turning left and proceeding counter clockwise down the rail. They shall resume their relaxed position at the end of the arena. The scores for all categories will be completed, recorded, and may be announced at this time. Handlers are expected to keep a reasonable clearance between horses and judges should modify the alignment of horses to achieve that clearance. Further judging will not commence until the Call Judge approves the placement and spacing of all horses.

# GENERAL INFORMATION

## RULES

**EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT FEDERATION RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.** Questions not covered by USEF rules shall be decided by the Show Committee and its decision will be final.

## USEF, INC. MEMBERSHIP RULE

Life, senior active and junior active members shall be eligible to participate in all classes at Regular Competitions, Eventing Competitions at the Preliminary Level or above and Combined Driving Competitions at the Advanced Level, Dressage, Reining and Vaulting Competitions and Endurance Rides. A nonmember may participate as a handler, rider, driver, owner, lessee, agent, coach or trainer at Regular Competitions, Eventing Competitions, Dressage Competitions, Reining Competitions and Combined Driving Competitions upon payment of a \$30 nonmember registration fee. Participants in the following classes are exempted from the Requirements of this rule: 1) leadline; 2) exhibitions; 3) games and races; 4) classes for 4-H members; 5) walk trot and academy classes (academy classes are classes limited to horses used regularly in a lesson program); 6) USDF introductory level tests, pas de deux and quadrille classes; 7) NRHA Endorsed Reining Competitions. 8) Opportunity classes, 9) citizens of other nations who have proof, in English, of current membership in good standing of their own National Federation, 10) USEA beginner novice division; and 11) assistant handlers in Dressage Sport Horse Breeding classes.

## REGISTRATION REQUIREMENTS

Horses shown in this division must have been issued a certificate of registration from the Arabian Horse Registry of America, Inc., or the Arabian Horse Association as a Purebred Arabian and/or the Canadian Arabian Horse Registry (or in the case of a foreign entry, which has not been issued said certificate of registration, have been issued a Competition Visa by the Arabian Horse Association), or, if under one year of age, be eligible for registry, and registration applied for (Exception: AR248.1) and must be entered under their full registered name. (Only weanlings that have had registration applied for may show without registration papers.) A copy of the registration papers showing the owner of record with the Arabian Horse Association must be submitted with entry form at the time of making entry; competition management is responsible for notifying exhibitors of this requirement. A copy of the registration papers will be returned when exhibitors pick up their numbers. In the case of a sale or lease, it is required that a contract of the sale or lease, or statement from owner be submitted with the copy of the registration papers. (Exception: Horses under one year of age that are eligible for registry and registration applied for.)

Horses entered in amateur owner and junior owner classes must be registered in the name of the competitor or a member of the competitor's family, as defined by GR122. (Horses registered in a farm/ranch/syndicate/partnership/corporation name may be shown in Amateur Owner classes provided the family is the sole owner of the farm or entity as defined by GR122. The sale of a horse does not eliminate this registration requirement.

**PHOTOCOPY OF BOTH SIDES OF REGISTRATION PAPERS FOR EACH HORSE MUST BE SUBMITTED WITH ENTRY FORM.**

## BREEDING AND IN-HAND CLASSES

**The In the Ring Class Procedure (USEF Rule Book, AR107) will be used.**

Judging begins when the first horse enters the ring. From the moment the horse enters the ring its movement is being evaluated and scored. (2) The horse shall enter at a trot, and at the handler's discretion may either proceed directly along the rail, or trot a counter-clockwise circle at the in-gate end of the arena and then proceed along the rail to the far end of the arena. Upon each horse reaching the designated position at the far end of the arena they are to remain relaxed. The judge(s) will then ask for the next horse to enter the ring. When all horses have entered the ring the horses shall be asked to walk collectively counter-clockwise and/or clockwise past each (and all) judge(s). They shall walk in a relaxed manner on a loose lead with the handler at the side of his horse, whips down. The lead line must maintain a discernible drape and the handler must not place his hand on the chain or close enough to in any way restrict the natural head and neck motion. The handler may not unnecessarily impede the forward motion of the horse while at the walk. Following the cessation of the walk all horses shall relax within the ring and only the horse "on deck" shall be prepared to show. Each horse shall be led to the judge(s) at the walk and presented for judging. In order to satisfy a proper presentation to the judge, horses should stand correctly, bearing weight on all four feet (not stretched), in a quiet and deliberate manner. Following the evaluation by the judge(s), horses shall walk away from the judge(s), and then strike a trot before turning left and proceeding counter clockwise down the rail. They shall resume their relaxed position at the end of the arena. The scores for all categories will be completed, recorded, and may be announced at this time.

Handlers are expected to keep a reasonable clearance between horses and judges should modify the alignment of horses to achieve that clearance. Further judging will not commence until the Call Judge approves the placement and spacing of all horses.

## CLASS CALLS

Due to unforeseeable problems with any mechanical device, the public address system is to be considered a courtesy. It is the responsibility of the exhibitor to be sure that his/her horse is at the gate at the prescribed time. Every effort will be made to maintain a working public address system to carry class calls. As the first horse enters the in-gate, a two minute time rule shall be enforced. Exhibitors should notify the ring announcer and gate personnel if a tack change is required.

## COPIES OF USEF & AHA MEMBERSHIP CARDS

AHA has resolved that owners, trainers, riders, drivers, handlers, must provide a photocopy of their current AHA and USEF or CEF membership card with their entry form. Affidavits of membership will not be accepted.

## **COMPETITION AND WARMUP AREAS**

Show management reserves the right to hold classes, or portions of classes, on the grounds outside of the main ring if it is found necessary to do so. The main arena is approximately 118' X 230' and is indoors with dirt footing. Warmup areas also have dirt footing, and both are maintained regularly beginning the day before the show starts.

## **DISPUTE NOT COVERED BY RULES**

Should any question or dispute arise not provided for in the governing rules, the same shall be referred to the Show Committee, whose decision shall be final.

## **ENTRIES**

Entries must be made on the official entry form for this show. **Copy of the horse's registration papers must accompany all entries.** All horses entered belonging to one owner must be entered on one entry form. Additional entry form sheets may be attached. No horse may be entered on more than one entry form.
